9:30 Commissioner Davis attended a Data Processing Board Meeting.

10:15 The Commissioner met with Brian Fritsch regarding the upcoming six (6) year ditch reviews. Mr. Fritsch advised that there are approximately 35 ditches that are due for the six (6) year review and went over the proposed format for conducting the reviews. He advised he would like to combine them as follows: Bridgewater Township, Madison Township, Milcreek Township and the Beaver creek area. After discussion, it was agreed that the reviews would be conducted per Mr. Fritsch's proposed format.

10:30 Commissioner Word called the Clerk and Assistant Clerk into the session room to discuss if he will run or not run again for re-election. Commissioner Word stated that he has 38 years in County Government, if he runs again he would have over 40 years. He stated that he is happy to be able to serve the people and has enjoyed serving with you guys (speaking to Commissioner Hilkert and Davis). He said I did pull a petition and I have spoke long and hard about this with Shela and she does support me in running for another term. Al stated that he thinks very highly of both of you (talking to the Clerk and Assistant Clerk). I take it very serious on who is going to run for Commissioner because it does concern me. I have approached someone to run as I am not going to run again. I am going to support this individual with everything I have. I wanted to make you all aware as I know there are rumors out there. I think a lot of you guys and will miss you all. Commissioner Davis stated, I was hoping your decision was going to be different. I think there are people who will reconsider running since you are not because they will not run against you. Al stated the one I have approached; I place a lot of faith in this person. My term will be up January 2, 2017.

11:00 The Commissioners attended Ditch Viewing #730 Petitioned by Hugh Perry and Allan Heisler.
