| Important Questions | Answers | Why This Matters: |
|---|---|---|
| What is the overall deductible ? | \$500/individual or \$1,000/family for In- Network Providers . \$1,000/individual or \$2,000/family for Out-of- Network Providers . | Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible . |
| Are there services covered before you meet your deductible ? | Yes. Preventive care , Primary Care visit, Specialist visit, and Vision exam for In- Network Providers . | This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ . |
| Are there other deductibles for specific services? | No. | You don't have to meet deductibles for specific services. |
| What is the out-of-pocket limit for this plan ? | \$2,000/individual or \$4,000/family for In- Network Providers . \$4,000/individual or \$8,000/family for Out-of- Network Providers . This plan has a separate Out of Pocket Maximum of \$2,500/individual or \$5,000/family for In- Network Providers Prescription Drugs . | The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met. |
| What is not included in the out-of-pocket limit ? | Prescription Drugs , Services deemed not medically necessary by Medical Management and/or Anthem, Non- Network Transplant Services , Premiums , balance-billing charges, and | Even though you pay these expenses, they don't count toward the out-of-pocket limit . |

You will pay less if you use a provider in the plan's network . That's why we follow federal civil rights laws in our health programs and activities. We don't discriminate, exclude people, or treat them differently on the basis of race, color, national origin, sex, age or disability. For people with disabilities, we offer free aids and services. For people whose primary language isn't English, we offer free language assistance services through interpreters and other written languages. Interested in these services?
